Sir Sydney Samuelson interviews
world renowned film composer and conductor

DEBBIE WISEMAN OBE

Wednesday 31st July 2019 at 2:30pm

at the Amadeus Centre, 50 Shirland Rd., Little Venice, London W9 2JA

First in a new series with Sir Sydney interviewing celebrated people about their experiences during illustrious careers in the world of cinema and television.

Throughout the past 20 years there can be few people who haven't heard a theme from one of Debbie Wiseman's films, television dramas and royal occasions. Whether watching Stephen Fry bringing Oscar Wilde to life for the big screen, hearing the latest political commentary on a Sunday morning with Andrew Marr, or revelling in the Tudor world of Thomas Cromwell in *Wolf Hall*, Debbie has gifted us iconic themes of beauty and passion, love and laughter.

Debbie will play extracts of her music at the piano and introduce clips from some of her most celebrated film and television projects including *Tom & Viv*, *Wolf Hall*, *Wilde*, *Land Girls*, *The Whale*, *Judge John Deed* and *A Poet in New York*. The interview will also give insights into her work as Classic FM's Composer in Residence; composing music for The Queen's 90th Birthday celebration, her role as a conductor and her appearances during the BBC Proms as a music expert.
