# 2026: All The Veterans

Every few years we publish a list – name only – of the current members of the British Cinema and Television Veterans, including widows/widowers and honorary members. Lists were previously published in issue 175 – Winter 2022, issue 164 – Autumn 2019, and issue 152 – Autumn 2016.

The purpose of this list is to provide a printed record of our membership for posterity as well as to let you know who your fellow Veterans are, to ask you to encourage others who are not on the list but could be one of us to join up, and to enable you to renew contact with other Veterans through our office – we will forward emails or letters to the address we have on file (but cannot guarantee a response).

This list is believed to be correct as of 31 March 2026. Please advise the Office of any omissions, misspellings or other errors.
